

Autonic Power

ENGINEERING SERVICES

Always Exceeding Your Expectations

About Us

Autonic Power Engineering Services is a strongly motivated company specializing in electrical power system solutions. We believe passionately in great bargains and excellent service, which is why we commit ourselves to giving you the best of both.

We aim to offer our customers a variety of the latest technologies in every aspects. We've come a long way, so we know exactly which direction to take when supplying you with high quality yet budget-friendly products. We offer all of this while providing excellent customer service and friendly support.

Mission

To provide the most reliable service with the best affordable products to customers. APES will never fail customers' expectation and we will vow to exceed it.

Vission

To become a top leading Electrical Engineering Company delivering best service and best products with most competitive price.

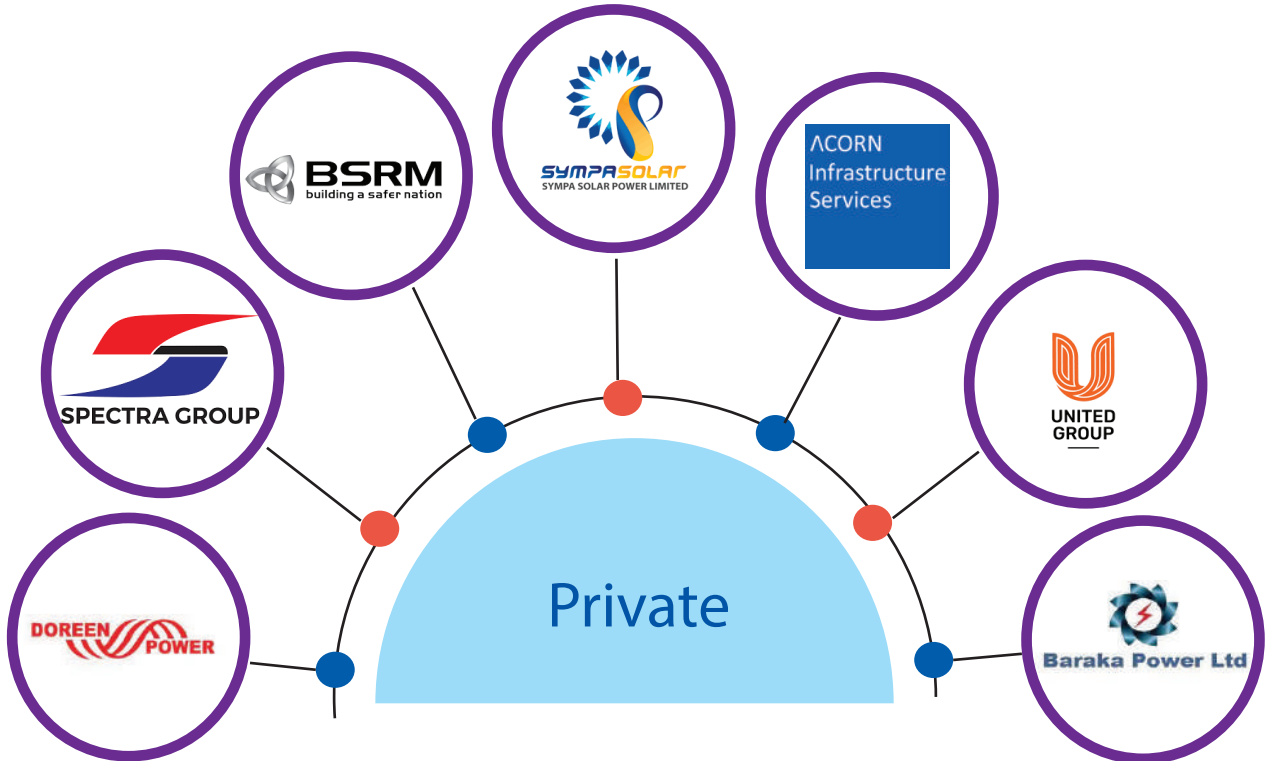

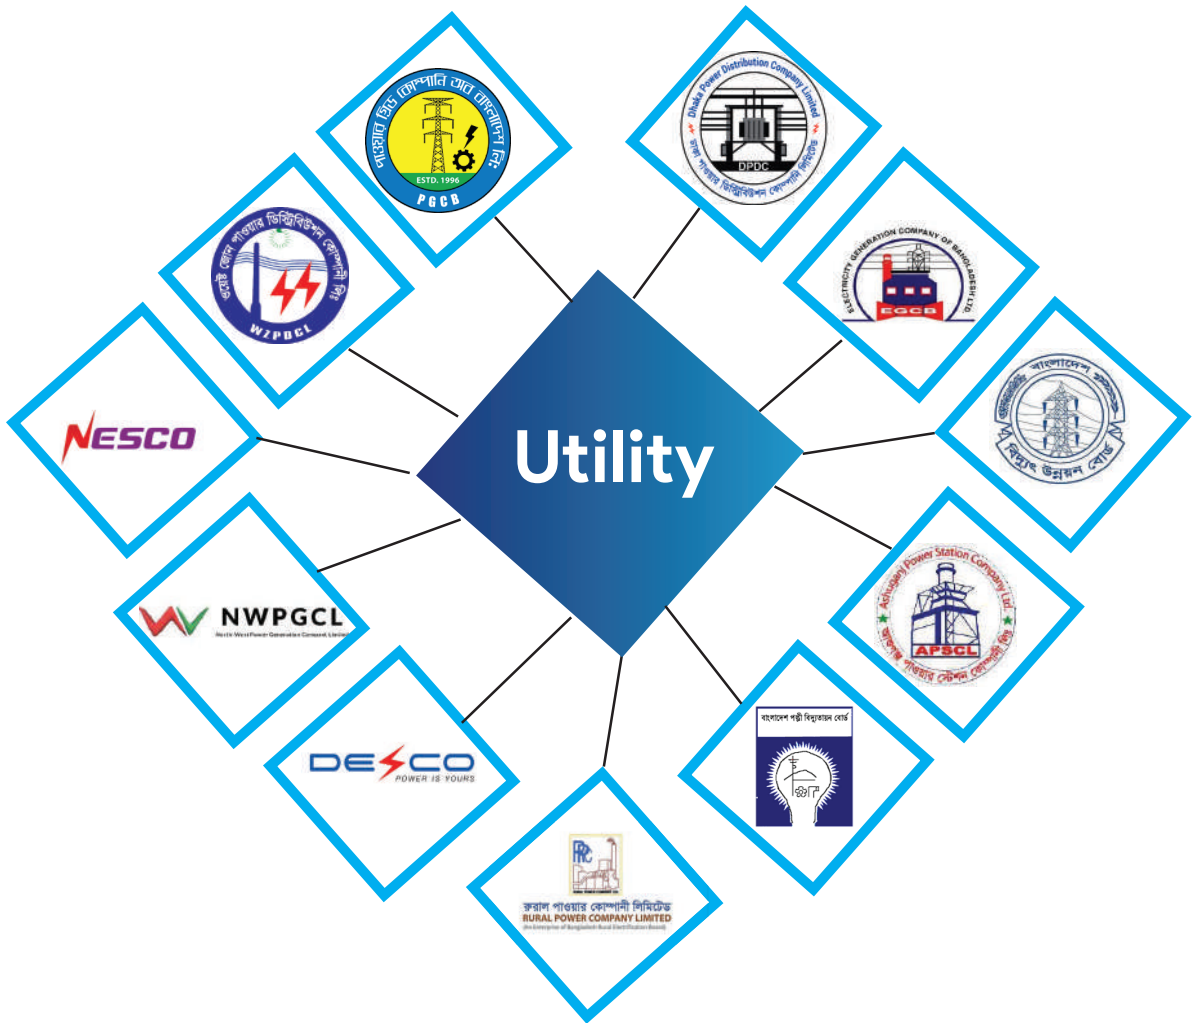

Values

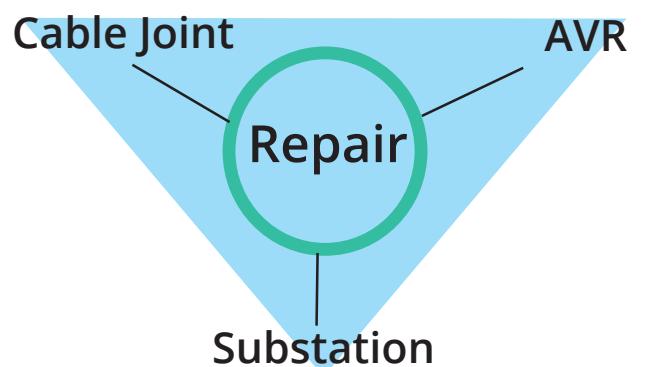

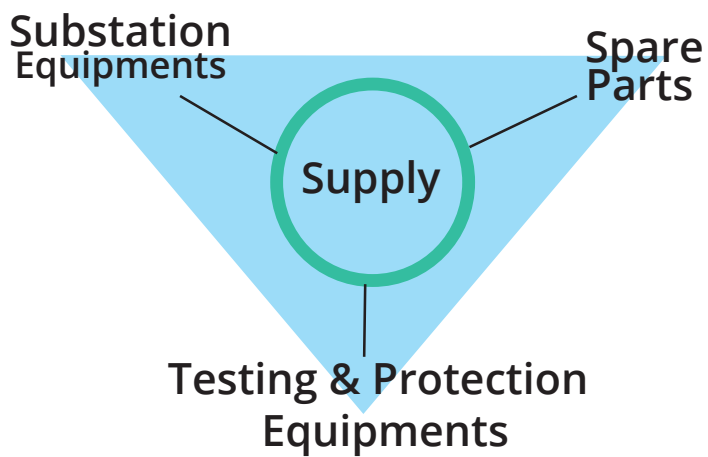

Building lasting relationships through honesty, respect, and trust with our customers, employees, and community. We strive to maintain the highest quality and efficiency in our work through the constant pursuit of improvement of our team and our processes in order to surpass the expectations of our customers.

Technology Partner

Our Valued Clients

Achievements

- ❖ Procurement of Different types of (33Kv & 11Kv) Straight Through Joints- DPDC
- ❖ Procurement of Different types of (33Kv & 11Kv) Cable Termination Kit- DPDC.
- ❖ Procurement of 11kV Indoor Vacuum Circuit Breaker (VCB)- DPDC
- ❖ Procurement of Vacuum Circuit Breaker (VCB) for Gazipur 52 MW power Plant-RPCL
- ❖ Design Manufacture and Supply of Cross Bonding Joint for 132 kV 1c x500mm²XLPE Copper Cable under Grid North-1-DPDC
- ❖ Procurement of Various Materials for Repairing and Refurbishing of Burnt & Old Distribution Transformer -DPDC
- ❖ Supply of 33Kv Straight through Joint –DESCO (Shah Ali S & D Division)
- ❖ Supply of 33Kv Straight through Joint –DESCO (Joar Shara S & D Division)
- ❖ Supply, Carrying, laying and installation of 33kv 1x500sqmm double circuit underground power cable - Cox's Bazar PBS (BREB)
- ❖ Procurement of Street light system spares, consumable goods and other electrical spares of Siddhirganj 2x120MW Peaking Power Plant- EGCB
- ❖ Supply, Installation & Commissioning of Main Hoist 55kW VFD for EOT at Siddhirganj 2x120MW Peaking Power Plant- EGCB
- ❖ Repair & Oil Centrifuging for 33/11Kv 46 MVA Power transformers with related BDV and Moisture test - Dhaka Northern Power Generations Limited (Doreen Power)
- ❖ Repair & Oil Centrifuging for 33/11Kv 46 MVA Power transformers with related BDV and Moisture test - Dhaka Southern Power Generations Limited (Doreen Power)
- ❖ Supply of different 33Kv Clamp/Connector- Dhaka Northern Power Generations Limited (Doreen Power)
- ❖ Supply of epoxy bushing for 11/0.4KV Auxiliary transformer Dhaka Northern Power Generations Limited (Doreen Power)
- ❖ Supply of Pressure Transmitter at Jhulda100 MW HFO Based Power Plant (Unit-3) - Acorn Infrastructure Services Ltd
- ❖ Supply of 11kv Heat Shrinkable Cable Termination kit- B-TRAC ENGINEERING LTD
- ❖ Supply of different Surge Protective Devices (SPD)-Sympa Solar Power Limited
- ❖ Supply of different 33Kv Cable termination Kit and Splice Joint at Matarbari 1200MW USC Coal-Fired Power Plant Project-POSCO E&C
- ❖ Supply of different 33Kv Cable termination Kit, Splice Joint, DOFC, Loop Dead End Clamp & different 33Kv Connector at Matarbari 1200MW USC Coal-Fired Power Plant Project-POSCO E&C
- ❖ Supply of 33kv Heat Shrinkable Cable Termination kit- SIEMENS
- ❖ Supply of 33kv Heat Shrinkable Cable Termination kit- POLY CABLES Ltd
